Tailor Features

Green Initiatives

- Improved indoor air quality thanks to low VOC paints and flooring throughout
- Water conservation: low-flow toilets, showerheads and faucet aerators, as well as drought-tolerant landscaping
- Energy conservation: high-efficiency domestic hot water, heating & cooling system; energy-efficient common area lighting; Energy Star® windows, refrigerator, dishwasher and laundry
- Emissions reduction: pre-wired power to select parking stall locations in the underground parkade for Level 2 electric vehicle charging
- Recycling program: recycling facilities for residents; recycled materials used in construction; demolition material and up to 75% of construction waste recycled
- Extra-green efforts: native plantings to reduce the need for pesticides and fertilizers; erosion control and vegetation safeguards; and environmental workshops with trades and suppliers

Connected & Convenient

- Social gathering area on the podium level with BBQ and dog run
- Fully-equipped fitness centre, lounge with co-working area, and yoga/stretch room
- Bicycle storage locker for each home in the underground parkade
- Dog wash room
- Bike wash and repair room
- TELUS Future Friendly Homes® come technology ready with the TELUS Smart Hub for easy and secure WiFi connectivity and Internet access, CAT5e wiring and multiple pre-wired connections for high-speed internet and cable
- Free TELUS TV and High-Speed Internet for one year*

Exterior

- Contemporary architecture designed by Shift Architecture Inc.
- Oversized LowE2 glazed windows to optimize sunlight, fresh air, and views
- Featuring full-height glazing and expansive decks and terraces that provide a seamless indoor-to-outdoor living experience
- Secure, well-lit underground parkade with emergency stations, fob and key access, and video surveillance
- Fob access lobby with video surveillance, plus enterphone with security camera at lobby
- Two high-speed elevators with programmable restricted floor access
- State-of-the art fire protection system including centrally monitored sprinklers and smoke detectors in every home
- 'Wind Veil', a stunning public art piece by Catherine Widgery, hangs in the forty-foot lobby ceiling
